[Parliamentarians visit beef operations across Canada](#)    

Canadian Cattlemen's Association - Sep 14, 2020

Over the past few weeks, Members of Parliament and Senators have been visiting beef farms and ranches, from Nova Scotia, through Ontario, to British Columbia. These tours have been focused on the environmental benefits of beef production and sustainability efforts undertaken by these operations.

[Canadian Livestock Transport program enhancements have launched](#)

National Farmed Animal Health and Welfare Council - Sep 14, 2020

The National Farmed Animal Health and Welfare Council is pleased to announce the release of the new and improved Canadian Livestock Transport (CLT) program. The CLT program is a comprehensive training course and support service for livestock and poultry transporters, shippers and receivers. CLT is an easily accessible, on-line standardized program offering humane animal transportation certification that is recognized throughout Canada and the United States.
