[Singapore becomes first country to remove remaining restrictions following Canada's BSE status change](#)

Action News - The Blog - Aug 24, 2021

As of August 20, 2021, Singapore has approved the Canadian Food Inspection Agency (CFIA) certificate for the export of all beef, including beef offal, with no age restrictions. This change in certificate makes Singapore the first country to remove the remaining Bovine Spongiform Encephalopathy (BSE)

[Compiled links to drought and wildfire support resources available](#)

Canadian Cattlemen's Association - Aug 30, 2021

CCA has created a document compiling links to resources for drought and wildfire relief programming. This includes links to federal and provincial funding and program announcements, as well as to program providers. Mental health resources are also included to support producers under stress due to weather conditions.

[Catch sustainable beef stories on FoodScape](#)

Canadian Cattlemen's Association - Aug 30, 2021

Public and Stakeholder Engagement (PSE), the Canadian Roundtable for Sustainable Beef (CRSB), the Nature Conservancy of Canada (NCC) and Ducks Unlimited Canada (DUC) have partnered together on two episodes of FoodScape, a TV program bringing farmers and ranchers into Canadian living rooms each weekend. Hosted by Rick Campanelli, the first episode will air in early September and highlights the role of beef farmers and ranchers in preserving Canada's native grasslands. It features cattle producers Cherie Copithorne-Barnes and Kristine Tapley, along with Tom Lynch-Staunton of the NCC.

[Canada Beef advisors provide National Beef Strategy update](#)

Canadian Cattlemen's Association - Aug 30, 2021

The Canadian Beef Advisors consist of elected leaders and staff representation of the seven national beef organizations responsible for policy, marketing, research and sustainability. They are a diverse group of experienced industry representatives who are responsible for advancing the

National Beef Strategy, providing recommendations on future direction and reporting results against strategy goals and objectives.

[Summer in review: Serving the beef industry as CCA's summer intern](#) [f](#) [t](#) [in](#) [✉](#)

Canadian Cattlemen's Association - Aug 30, 2021

The Canadian Cattlemen's Association summer internship program is an outstanding opportunity for young cattle enthusiasts to learn and network within the industry. While I am so grateful for what this experience has offered me personally, above all, I am honored to have been able to support and advocate for my fellow producers over the past four months.
